Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Mary Bird Perkins Cancer Center Early Cancer Detection project in fiscal year 2022. The entity to receive funding for this project is the Mary Bird Perkins Cancer Center, located at 4950 Essen Lane, Baton Rouge, LA 70809. The funding would be used to support the purchase of an additional mobile medical clinic to provide cancer screening services to rural communities in 36 parishes across Louisiana. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Garret Graves  
Member of Congress
