

State	Disaster	PW#	Total Project Cost - This Version	FEMA Share	Federal Cost Share	Type of Grant	Category	Summary
LA	4277	00020(0)	\$105,006,000.00	\$94,505,400.00	90%	PA	B	<p>GOVERNOR'S OFFICE HOMELAND SECURITY & EMERGENCY MANAGEMENT Declaration Date: 8/14/2016</p> <p>The award provides \$94,505,400.00 in federal funding to the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) for the first tranche of the Stay At Home (SAH) Program. Current version of this project addresses the first tranche of registered citizens participating in the Program, and a future version will address additional participants. These emergency protective measures are needed as damages were a direct result of FEMA-DR-4277-LA (Louisiana Severe Storms and Flooding), and is authorized under Section 403 of the Robert T. Stafford Act.</p>
LA	4277	00021(0)	\$37,790,500.00	\$34,011,450.00	90%	PA	B	<p>GOVERNOR'S OFFICE HOMELAND SECURITY & EMERGENCY MANAGEMENT Declaration Date: 8/14/2016</p> <p>The award provides \$34,011,450.00 in federal funding to the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) for Project Management associated with the Governor's Stay At Home (SAH) Program. The program authorizes emergency temporary repairs and power restoration in single-family owner occupied residences to make those residences habitable enough to be used as a shelter. These emergency protective measures are taken as a result of FEMA-DR-4277-LA (Louisiana Severe Storms and Flooding), and is authorized under Section 403 of the Robert T. Stafford Act.</p>

FEMA obligates funding for these projects directly to the State. It is the State's responsibility to ensure that the eligible sub-recipients receive these awards.
